COMPANY OVERVIEW

Next Plus LLC delivers information technology, logistics, and financial solutions to federal agencies and commercial clients. We enable customers to concentrate on their core mission, free from the complexity of managing IT and supply infrastructure. As the successor to Yellow Apple LLC, Next Plus carries forward a legacy that includes Blanket Purchase Agreements with the U.S. Army in Afghanistan.

CORE COMPETENCIES

- **IT Services & Procurement:** device configuration, hardware/software procurement, networking, managed IT and cybersecurity through authorized OEM partnerships.
- **Logistics & Supply:** transportation and supply of non-perishable goods, compliant packaging and marking, dependable global fulfillment.
- **Financial Services:** CPA- and CFE-led bookkeeping, audit support, and FAR compliance guidance.
- **Medical Supply:** medical supplies and consumables through authorized distribution partners.

DIFFERENTIATORS

- California Certified Small Business (Micro) #2039150, which counts toward small-business participation goals.
- DFARS / NIST SP 800-171-aware operations with clean WAWF/PIEE invoicing.
- Responsive by design: quotes and contracting inquiries answered within one business day.

AUTHORIZED SUPPLY CHAIN

OEM partners: Dell · HP · HPE · Lenovo · ESET · Malwarebytes

Distribution: Ingram Micro · TD SYNnex · D&H · Pax8. Genuine product with verifiable provenance.

PAST PERFORMANCE

PREDECESSOR LEGACY: YELLOW APPLE LLC

U.S. Army, Afghanistan: Blanket Purchase Agreements. Sustained supply-chain performance in a demanding active theater: essential IT consumables and printing materials delivered under Army BPAs, broadcasting and media-center equipment installed at strategic locations including the Kabul Military Training Center (KMTC), and urgent requirements met through 24-hour global sourcing from Europe.
